

## Important Update Regarding Project Development and Timeline

Dear Contest Organizers and Participants,

We would like to express our sincere gratitude for the opportunity to participate in this contest and showcase our project. It has been an incredible journey for us so far, and we greatly value the experience and insights we've gained along the way.

We want to address an important matter regarding the development of our project. Over the past few weeks, we encountered some unexpected challenges that temporarily impacted our progress. We understand the anticipation surrounding our project and deeply regret any inconvenience this may have caused.

Despite these challenges, we want to assure you that our commitment to delivering a high-quality project remains unwavering. Our team is actively working to overcome the obstacles we've encountered and to enhance the functionality of our project.

To provide you with a clear timeline, we are targeting the completion of the additional functionality within the next three weeks. During this time, we will be diligently working to ensure that our project meets the standards we set out to achieve.

We appreciate your understanding and support during this period. We believe that this time will allow us to deliver a more polished and comprehensive project that aligns with our original vision. We will keep you updated on our progress and any significant developments.

Thank you for your continued interest in our project. We remain excited about its potential and are looking forward to sharing our improved version with you all.

Best regards,  
TONMobileHeroes Dev Team
